

# It's time to get personalised support for older Australians.

**CASS care finder service provides specialist & intensive** support for vulnerable older Australians who have difficulties arranging services by themselves and have no carer or support person who can help.

## What help can care finder service provide?

- ✓ Connect to My Aged Care for registration and assessment
- ✓ Finding the appropriate aged care providers in their area
- ✓ Checking-in to make sure everything is OK
- ✓ Solving other challenges and connecting to supports in the community, such as mental health, housing and homelessness, drug and alcohol services, community groups and national dementia support.
