CASS is a not-for-profit community organisation and its child care services aim at providing and facilitating affordable quality child care service to the community.

Three Early Learning Centres are located in Campsie, Hurstville and St. Leonards. Long day care services for children from birth to 5 years old and outside school hours care services for school age children under 12 years old.

Educational programs are designed and implemented by qualified & experienced educators who are passionate about teaching and learning. Children grow, learn and develop in a warm caring and stimulating environment that embraces diversity.
